PAIN WARRIORS

The Other Side of the Opioid Crisis

Largely invisible, shunned and disbelieved, **PAIN WARRIORS** enters into the desperate lives of pain patients fighting for their very survival; families torn apart by suicide and the troubled worlds of compassionate doctors who stand up for them, even at the cost of incarceration.

PAIN WARRIORS dives deep into the trenches of a bold new civil rights movement for our time.

Directed and Produced by
Tina Petrova & Eugene Weis
